

Heart of the Hills Swim Club, Inc.

November 2009

Dear Heart Members,

We hope everyone is enjoying the beautiful fall weather these past few weeks (at least through last week)!

We wanted to inform you of some staff changes you will see next season; those of you involved with the swim team know that we have just concluded our hiring search and interviewing, and are pleased to have a new head coach in place for next summer (see the attached announcement letter).

You may also be aware that our Club Manager Melissa Thompson will not be returning next year – unfortunately she was unable to find a teaching job here in Michigan, and has moved to North Carolina to begin her teaching career. We thank her for the spirit and energy she brought to Heart, and wish her all the best.

We also learned last week that our tennis pro, Angie Trecola, has decided not to return next season, as she will be participating in a summer history program visiting countries in the Asia Pacific region to add to her teaching credentials and experience. We thank her for her many years at Heart working to improve our tennis programs, and wish her all the best in her new adventure and teaching career.

We are currently in the process of searching for replacements for both positions – if you know of potential candidates to be considered, please forward their contact information and/or resumes: for Club Manager to Mike Wright mandfw@hotmail.com, tennis pro to Greg Jacobs gciacobsj@yahoo.com, with a copy to Gary Berwick gsberwick@mac.com. Our tentative plan is to compile a list of qualified candidates by December 15th, conduct the interview and selection process, and sign contracts no later than the annual meeting in February for the tennis program, and prior to our spring start-up for the Club Manager.

We will update you on our progress at the annual meeting.

Sincerely,

Mike Wright & Gary Berwick
For the Board of Governors
